

My America 250 Revolutionary

As part of the America 250 commemoration, we are celebrating revolutionary people.

A revolutionary person is someone who makes change. Colonists who stood up to British rule were revolutionary. People who protested for civil rights were revolutionary. Every day people who fight unfair treatment in their communities are revolutionary.

Who is someone you see as revolutionary? What did they do that inspires you? What questions do you wish you could ask them? What would you tell them about your life today?

Write a poem or paragraph or create a video describing how this person inspires you.
